Subject: RFP 02-24 Regional Transit Questions & Answers

1. Can we get the current number of drivers used full time and part time?
We keep track of drivers that are considered to be full-time equivalent and there are an estimated number of 40 drivers.
2. Also, what is the estimated budget for this contract?
The approximate budget is \$5.2 million for FY24.
3. Are the vehicle onboard computers and programs used property of the current provider, or of SGRC or DOT?
The tablets and programs are GDOT owned.
