Subject: RFP 11-23 Questions & Answers

(1) For the Comprehensive Youth RFP, is Work Experience services a requirement when bidding on youth services?

Yes, Work Experience is a requirement when bidding on youth services.

(2) Can Work Experience services be a partnering service through another provider or must the services be provided under the same provider of youth comprehensive services?

Yes; however, the proposal must come from one (1) agency. The “partnering” will need to be coordinated through a MOU between those agencies. All activities, performance and billing will need to come from one entity.
